Dear Jim:

Approval is herein requested to enter into a fixed price agreement with [redacted] to perform certain functions necessary to complete the programming phase of BB-375.

This request is submitted in accordance with Section 8 (ASPR 7-203.8) Paragraph B of the General Provisions covering this contract. The undersigned realizes that this item does not exactly fall within the specifications of this article; however, the dollar amount closely approaches the five percent limitation. This is the reason that this approval is requested.

Very truly yours,

[redacted]
